9/2024 – 6/2028

- Honors: First prize at the university level and third prize at the provincial level in the 12th National College Student Statistical Modeling Competition; second prize at the university level in Mathematical Modeling
- Relevant coursework: Macroeconomics and Microeconomics, Econometrics, Game Theory, Finance, International Trade, Public Finance

WORCESTER COLLEGE, OXFORD

Oxford, England

Policy Management and Leadership Management (GPA: 82/100)

1/2026 – 2/2026

- Completed two courses in Strategic Management and Cross-Cultural Leadership; led the completion of the strategic analysis report on Tesla's entry into the Indian market, delineated market boundaries, and proposed a phased implementation strategy; and designed decision and communication mechanisms for a five-country hybrid team.

PROFESSIONAL EXPERIENCE

Hunan Jinxia International Trade Co., Ltd.

Changsha, China

International Trade Business Intern

7/2026 – 9/2026

- Drafted 2 procurement contracts and project reports for antimony concentrate and spodumene ore imports with Hunan Wuzhi, which led to the steady rollout of 4 cross-border transactions covering L/C(Letter of Credit) issuance, payment acceptance, customs filing and cargo arrival tracking
- Organized over 50 sets of business archives and compliance documents that provided essential support for project implementation and regulatory review
- Supported the site investigation for a proposed 100,000-ton zirconium-titanium ore washing plant by conducting research of market supply-demand economics and environmental compliance requirements, identifying gaps in environmental impact assessment (EIA)-related documents, and summarizing pollution sources, treatment standards, and key acceptance criteria to inform new project design

Hunan University Racing Team

Changsha, China

Intern in the Business Operations Team

5/2025 – 6/2026

- Researched prospective automotive and component-industry partners; developed the annual sponsor directory; tracked partnership benefits and collected feedback; and facilitated partnership development and relationship management
- Managed the daily operations of the team's social media accounts, responsible for drafting 20+ posts, content and compiling materials for event documentation, team updates, and technical education articles with 5000+ views; assisted in visual promotion including poster design, event photography, branding and video archiving
- Synthesized business models, partner case studies and operating data into business reports, marketing presentations and competition defense decks for the China University Students Formula Series competitions (FSC/FSCC)

Hunan University Library

Changsha, China

Chief Volunteer Coordinator for the North Campus Library

9/2024 – present

- Led the recruitment, training, scheduling, attendance and performance management for 90+ registered volunteers, completing two recruitment and team-development cycles
- Planned and delivered 11 orientation and Reading Month events reaching 2,100+ students and faculty, coordinating proposals, staffing, resources and on-site execution
